**In the Quality of Time**

2022

e  
you wanted to crack me,  
a7  
break through my protective wall.

D  
you wanted your protective wall  
Gj7  
finally to be breached.

Esus9 a4 a  
On the outside it was your petrified closed heart.

D Gj7  
Inside, self-acceptance, self-love

Cj7 des0  
For me, our coming together opened my sacral chakra

D es0 e E  
and my heart, subsequently also made access to me source flow again

a e  
My soul got a passion at ignition,  
D e  
A flash of unconscious recognition.  
a6 e  
When I saw you in impenetrable night,  
h7 e  
cap low in your face, sitting in the light

q a -e  
I like to remember the beginning,  
D e  
the inexperienced exploration,  
a7 e  
Feel my curiosity, just allow your opening  
h7 E  
your trust and your devotion.

a e E  
In this life. Though I've never met you  
D e  
no stranger to me, my feelings are not boundet  
a6 e  
Your sounds of timeless hugging sounded  
h7 E E  
like longing, enjoying, like letting go

**Refrain**  
a e  
in earlier times you took an oath  
D D e  
which I was allowed to dissolve  
a6 e  
You had to wait for so many years  
h7 e  
Now let go of all your fears in tears

**Refrain**

a R  
We found each other going into healing.  
D e  
Becoming whole means becoming whole.  
a6 e  
It no longer takes several livetimes,  
h7 e  
now it happens in weeks, days, hours and seconds.

a e  
Feeling free had no bother  
D e  
a matter of approaching each other  
a6 e  
we leave the matrix at the turn of time  
h7 E  
We recognise the quality of time.
